

**Welcome to SMLEDNIK and MEDVODE county on 5th FISTC Cart European Championship
2011**

MUSHER INFO

The most important thing is that the stake – out area has to be clean all the time, because it is based in the campsite. The dogs excrement should be removed by every musher on his stake - out place and be deposit in bags. Holes that dogs dig have to be filled up again. Toilets, water and showers are in the campsite building. Cleanliness is it most important.
